

Critical thinking checklist

- What is the point?
- Have you used a tool to check the validity (PROMPT or CRAAP)?
- Why is the point relevant to the purpose?
- What's important about this particular point?
- How does it fit with the rest of the content?
- Would the argument work without this point?
- Does the evidence support this point?
- Is the evidence necessary?
- Is the evidence sufficient?
- Are there any hidden premises?
- Are there any errors in the logic (fallacies)?
- Could the reasoning be improved?
